

CORONADO HIGH SCHOOL BAND

REQUIRED Contest Meals 2018

What: A meal or snack provided to students on Marching Contest days .They *MUST BE PREPAID*.

Why: Contest days can be long. Typically there is a rehearsal at the school before the students change and head to the contest. Because of the timing, they need to be fed a lunch or snack at the school before they leave to keep them well nourished and hydrated. On certain contest days when there are preliminary and final performances, a second meal is needed at the contest venue. **The Band Booster Association provides meals for everyone in the band. Participation and payment is required.** Unlike pre-game meals, it is not possible for students to plan to bring a snack meal or parents to be there to provide it. Time and location varies and can be unpredictable. We all eat and march together on these days that our T-Bird Band Teamwork is displayed on the field in competition!

Meals: Consist of a drink, sandwich or main course, chips and dessert. A vegetarian option will be available.

Cost: Required Contest meals and snacks **are \$60.00 for the season.**

Vegetarian Meals: Available upon request *at the time of payment.* (Please don't ask for a vegetarian meal in line if you didn't request it at the time payment was submitted.)

Return this form with payment of \$60 no later than September 1, 2018. Make checks payable to CTBBA

If you have any questions, please contact Susy Ruby at 915-269-2797
