

CORONADO HIGH SCHOOL BAND

Pre- Game Meals 2018 (OPTIONAL)

What: A meal or snack provided to students before football games. They **MUST BE PREPAID.**

Why: Peace of mind. There isn't any time for students to leave campus to get food on game days. They practice, eat, change and go. Students should plan to either bring a snack meal, have someone deliver it to the school, or buy a pre-game meal.

Meals: Consist of a drink, sandwich or main course, chips and dessert. A vegetarian option will be available.

Cost: Optional Pre game meals are **\$75.00 for the season. (10 Meals)**

Vegetarian Meals: Available upon **request at the time of payment.** (Please don't ask for a vegetarian meal in line if you didn't request it at the time payment was submitted.)

Advantages: CONVENIENCE; no worries because your student will be feed; you didn't have to fight traffic to get to school to deliver it. They also have more time to create more memories with other students.

Return this form with payment of \$75 no later than September 1, 2018. Make checks payable to CTBBA
